In Flanders' Fields

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders' fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch, be yours to hold it high.

If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' fields.

Major John McCrae, 1915

We enjoyed singing many well-known songs of that era and learning their origin.

Sylvia has long been a music teacher. She is Chapter Co-President of Catalina Timewalkers.

Karen Smith the Ways and Means chairperson announced the winners of the baskets at the end of our time together.

Farewell

- We hope to see everyone in Prescott next spring, April 14 -15, 2026.
