

# The Questers Historic Lecture Series

## What is it?

A brand-new collaborative initiative between THE QUESTERS International and Arizona Questers. Daphne Davis, International President and Arizona member, has been a Quester for 46 years. She is taking her love of history, preservation and THE QUESTERS on the road throughout Arizona this coming year! Davis has developed a wonderful power-point presentation titled:

## [ARIZONA MERCI TRAIN BOXCAR—75TH ANNIVERSARY](#)

The lecture series was created in collaboration with the 2024/2025 request from THE QUESTERS for each state to consider supporting the national renovation efforts for their state's car. In Arizona, the Four Peaks Questers chapter spearheaded Arizona's Merci Train project with

financial help from other local chapters Desert Sage, Ocotillo, and Verde Valley—as well as from individual donors.

## When/Where?

November 7th @ 11 am at the Buckeye Museum  
November 11 @ 10 am at the Litchfield Park Heritage Center  
February 24, 2025 @ 7 pm at the Apache Junction High School

More venues are under consideration but are not yet confirmed. Please check the News and Events tab on the website <https://www.azquesters.org/news-and-events> for updated times and places

This is a great opportunity for our state - let's show Daphne our

appreciation for her willingness to help promote Questers by joining her at one of the above listed locations—perhaps in place of your monthly chapter meeting or just as a great field trip!

Invite your friends and neighbors to attend - this is an excellent way to show firsthand how Questers can impact their local community by bringing to light this very touching story of the gratitude of the French people.

If you have an idea for a museum or other venue in your area that might be interested in hosting a Questers Historic Lecture series event, let Robyn know at [Robynrealty@gmail.com](mailto:Robynrealty@gmail.com)
