

MEMBERSHIP AT LARGE

Love History and Looking for a Flexible Way to Get Involved?

Do you have an interest in history, historic places, preservation, restoration, or education, and want the flexibility to participate in ways that fit your interests and schedule?

Becoming a Member at Large may just be the right fit for you.

THE QUESTERS is an organization dedicated to **Keeping History Alive** through preservation, restoration, and education. While many Questers participate through local chapters, Member at Large offers a way to be part of THE QUESTERS without regular meetings or chapter responsibilities.

As a Member at Large, you will receive **Arizona State and International electronic communications**, have access to our websites and social media, and stay informed about projects, programs, and events. You may participate in activities that match your interests and availability.

You may eventually decide to join a local Questers chapter or continue as a Member at Large. **Either way, you are an important part of the Questers family.**

Joining Is Simple
