QUESTERS WOMEN'S SUFFRAGE CENTENNIAL EXHIBIT

February 1 - 28, 2022

The Questers Women's Suffrage Exhibit was developed in cooperation with the Arizona Capitol Museum. The nonprofit group Questers has created a traveling exhibit to commemorate the 100th anniversary of passage of the 19th Amendment to the US Constitution giving women the right to vote.

Six individual, freestanding canvas banners tell the fascinating story of the 72-year nonviolent struggle to win the vote. The exhibit features ...

- 1) the reasons women had to fight for the vote
- 2) efforts to win the vote
- 3) difficulties the suffragists faced
- 4) women's suffrage in Arizona
- 5) progress women have made with use of the vote
- 6) the theme that "each of us makes history"

Women's suffrage is a timeless topic, because the suffrage movement is an iconic example of the democratic process.

Come visit the Sun Cities Museum all during the month of February and check out the panels. We hope to have a day that will host Susan B. Anthony impersonator Carolyn Dearen as she gives presentations to further enhance your

education about the Suffragette Movement. Thank you for your interest and support of this organization which is listed on the National Historic Register.
